

What is Hands-OnLine LIVE?

Hands-OnLine LIVE™ is dentistry’s first live, interactive hands-on dental CE, delivered digitally – in which dentists can participate in state-of-the-art clinical learning and hands-on training from the comfort of their own operator. Hands-OnLine LIVE provides a complete learning experience that blends the convenience of digital learning with the ability to consume the training in practical form, while being supported by experts along the way.

- ✔ Access to 5 world class instructors and 8 unique 2-hour Hands-OnLine LIVE programs offered monthly and 3 On-Demand™ courses available 24/7 for you to learn at your own pace
- ✔ Delivered to you & your team members in the comfort of your own practice
- ✔ A technique kit, including all models, materials and instruments required to complete the course (and is yours to keep!)
- ✔ A virtual Q&A environment is enabled allowing for live interaction between participants and the instructor
